General Information:

Rochestown ETNS is under the patronage of Educate Together. It is based on four key principles: Child-centered, Co-educational, Democratic and Equality-based.

Rochestown ETNS follows the curricular programmes prescribed by the Department of Education and Science, which may be amended from time to time, in accordance with Sections 9 and 30 of the Education Act (1998).

Aims of Policy:

The aim of the Attendance policy of Rochestown ETNS is to encourage attendance as an essential factor in pupils' learning. The policy aims to:

- Ensure that pupils are registered accurately and efficiently
- Ensure that pupil attendance is recorded daily
- Encourage full attendance where possible
- Identify pupils at risk
- Promote a positive learning environment
- Enable learning opportunities to be availed of
- Raise awareness of the importance of school attendance
- Foster an appreciation of learning
- Identify pupils at risk of leaving school early
- Ensure compliance with the requirements of the relevant legislation
- Develop, subject to available resources, links between the school and the families of children who may be at risk of developing attendance difficulties
- Identify and remove, insofar as is practicable, obstacles to school attendance.

Rationale

This policy complements the school ethos of nurturing potential in a caring environment where the welfare of children is paramount. This policy was developed in accordance with legislative requirements such as the Education Welfare Act 2000 and the Education Act, 1998. It also identifies the supportive role of Tusla, the Child and Family Agency, and outlines the school's legal obligations to report absences.

Roles and Responsibilities:

All staff have an input into the implementation of the policy. Class teacher's record individual patterns of attendance and the school Principal or secretarial staff make returns to Tusla. The Principal has responsibility for maintaining the Leabhair Tinreamh.

It is the responsibility of the Principal and staff to implement this policy under the guidance of the school's Board of Management.

Punctuality:

School begins at 8.30am at our Garryduff site. All pupils and teachers are expected to be on time. The school will contact parents/guardians in the event of pupils being consistently late. The school defines consistently late as five days over a ten day period. The Principal is obliged under the Education Welfare Act, to report children who are persistently late, to Tusla.

Recording and Reporting Attendance:

The school attendance of individual pupils is recorded in the Leabhar Rolla (Roll Book) of each class on a daily basis. Attendance is also recorded on the school's online administrative system, Aladdin. Class attendance data is recorded daily in the Leabhar Tinrimh (Attendance Book) on Aladdin. The annual attendance of each individual pupil is recorded in the Clár Leabhar (Register), together with information provided in enrolment forms (Pupil's Name, Date of Birth, Address, and Religion).

If a pupil does not attend on a day when the school is open for instruction, his/her non-attendance will be recorded by the class teacher. There are seven categories of absence to be recorded as follows:

- A = Illness
- B = Urgent Family Reason
- C = Expelled
- D = Suspended
- E = Other
- F = Unexplained
- G = Transfer to another school

The roll call is taken before first break using the online administrative system, Aladdin. The roll book is filled in at the end of the school day. Any pupil not present will be marked absent for the day. **The roll book may not be altered once it has been filled in.** (A note/email from parents/guardians is required to explain each absence. Such notes/emails will be retained by the class teacher until the end of the school year when they are filed in the pupil's record file in the office. Parents/guardians must also provide a note/email if a child departs early during the school day and sign the Pupil Early Leave form in the hallway of each class.) These notes/emails are dated and kept in a central location (office). Late arrivals and early departures are recorded by the class teacher.

Parents/guardians are made aware of the requirements of Tusla particularly the by-law relating to absences of more than 20 days per school year. This information is detailed in the Information pack, which the parents receive on enrolment of their child. They are notified in writing on the end of year report of the total number of absences during the school year.

Referral of absences to Tusla

The school informs the parents in writing if their child has been absent for 15 days and reminds parents of the school's requirement to report absences of 20 days to Tusla. Pupils whose non-attendance is a concern are invited to meet with the Principal during Parent/Teacher meetings or at other points in the school year and are informed of the school's concerns. When a pupil has been absent for 15 days, the class teacher will complete the Pre-Referral Checklist (Appendix 1). The purpose of the Pre-Referral Checklist is to help the school briefly note any action(s) taken to date in relation to the child in question and to prompt discussion at school level as to other interventions that may be considered and put in place prior to making a formal Referral.

If a pupil has been absent for 20 days or more, the school will make a formal Referral to Tusla via the school's Educational Welfare Officer (Appendix 2). The school is required to complete the Pre-Referral Checklist as part of a formal Referral.

The school must inform the Education Welfare Officer in writing, where a child has missed 20 or more days in a school year, where attendance is irregular, where a pupil is removed from the school register and where a child is suspended or expelled for 6 days or more.

Promoting Good Attendance:

Rochestown ETNS promotes good attendance by:

- creating a safe and welcoming environment
- developing good communications with our parent body
- displaying kindness, compassion and understanding
- being vigilant so that risks to good attendance such as disadvantage, bullying etc. are identified early
- Rewarding good attendance with certificates

Tusla (Child and Family Agency)

The Education Welfare Officer is informed if:

- A child is expelled
- A child is suspended
- A child has missed more than 20 days.

Tusla is furnished with the total attendances in the school year through the Annual Attendance Report, which is completed on-line by the Principal.

Whole School Strategies to Promote Attendance:

Rochestown ETNS endeavours to create a safe, welcoming environment for our pupils and their parents/guardians. Parents/guardians are consulted in drafting and reviewing policies with the aim of promoting a high-level of co-operation among the school community. The teaching staff collaborates in the planning and implementation of the primary school curriculum, so as to provide a stimulating learning environment for all pupils.

School attendance is strong in our school. However, the staff remains vigilant so that pupils who may be at risk of poor attendance are identified early. These pupils can be categorised as those who miss more than 5 days in a 20-day period without an accompanying note of explanation from parents/guardians. Appropriate contact takes place between the school and parents/guardians either via a letter/email or a note in the homework diary when this occurs. A meeting between parents and the Principal may be set up if deemed necessary. Absences of more than 20 days are automatically referred to the Education Welfare Officer.

New entrants and their parents/guardians are invited to engage in an induction process, through which the school's policies and procedures in relation to attendance are explained. This involves an Information Evening for parents of new Junior Infant pupils before their child commences schooling. For pupils enrolling in any other class, the principal will inform the parents of these policies and procedures. There is a focus on the value of regular attendance and on the importance of developing good attendance habits from Junior Infants onwards.

The school's expectations in terms of the quantity of homework assigned and in the quality of homework presented is clearly explained. There is a consistent approach to homework throughout the school.

The calendar for the coming school year is published on our school website annually in May and a copy is emailed to all of our parents. A reminder is also emailed at the commencement of the new school year in late August/September. It is hoped that this approach will enable parents/guardians to plan family events around school closures, thus minimising the chances of non-attendance related to family holidays during the school term.

Parents/guardians are informed if a child has no lunch, and if one cannot be provided for him/her, the school will provide **Liga, raisins and a drink of water.**

Cork County Council provides certificates to pupils who have full attendance during the school year. These certificates will be presented by the Principal at a school assembly. Certificates are also available to pupils who improve their attendance over a short period of time, and to pupils who improve their overall attendance.

The question of equality of access is addressed through the school's Admissions and Participation policy.

Strategies in the Event of Non-Attendance

Section 17 of the Education (Welfare) Act (2000), states that 'the parent of a child shall cause the child concerned to attend a recognised school on each school day'.

Section 21 of the Act obliges schools to inform the Education Welfare Officer if a child is absent on more than 20 days in any school year, or if a child does not attend school on a regular basis.

In such cases the Education Welfare Officer (following all reasonable efforts by Tusla to consult with the child's parents and the Principal of the school) may serve a 'School Attendance Notice' on any parent who he/she concludes is failing or neglecting to cause the child to attend the school. A successful case taken against the parent may result in a fine and/or imprisonment.

Reasons for absence are recorded and reported to Tusla at least two times during the school year through an online system; end of December and end of June. An annual report is submitted – not more than six weeks following the end of the school year - detailing the overall level of attendance at the school during that school year. This information will be communicated to the school community via email.

Transfer to another school:

Under Section 20 of the Education (Welfare) Act (2000), the Principal of a child's current school must notify the Principal of the child's previous school that the child is now registered in their school.

When a Principal receives notification that a child has been registered elsewhere he/she must notify the Principal of the pupil's new school of any problems in relation to attendance at the pupil's former school and of such matters relating to the child's educational progress as he or she considers appropriate. This applies to pupils who transfer between primary schools and to pupils who transfer from primary to second-level education.

Communication:

The school has developed a good relationship with the local Education Welfare Officer (EWO) and there is ongoing communication in relation to children who are at risk of poor attendance.

The school will maintain communication with local pre-schools and second-level schools in order to make the transition for pupils as easy as possible.

Communication with Parents/Guardians

The school circulates information about its reporting obligations regularly throughout the year. This information is provided in the school's Information pack for new parents and is discussed at an induction evening for parents of new Junior Infant pupils.

Parents/guardians can promote good school attendance by:

- Ensuring regular and punctual school attendance.
- Notifying the School if their children cannot attend for any reason.
- Working with the School and education welfare service to resolve any attendance problems;
- Making sure their children understand that parents support good school attendance;
- Discussing planned absences with the school.
- Refraining, if at all possible, from taking holidays during school time
- Showing an interest in their children's school day and their children's homework.
- Encouraging them to participate in school activities.
- Praising and encouraging their children's achievements.
- Instilling in their children a positive self-concept and a positive sense of self-worth.
- Informing the school in writing of the reasons for absence from school.
- Ensuring, insofar as is possible, that children's appointments (with dentists etc), are arranged for times outside of school hours.
- Contacting the school immediately, if they have concerns about absence or other related school matters.
- Notifying, in writing, the school if their child/children, particularly children in junior classes, are to be collected by someone not known to the teacher.

Communication with other Schools

- When a child transfers from Rochestown ETNS to another school, the school's records on attendance and academic progress will be forwarded on receipt of written notification of the transfer
- When a child transfers into Rochestown ETNS confirmation of transfer will be communicated to the child's previous school, and appropriate records sought
- Pupils transferring from Rochestown ETNS to a post primary school will have their records forwarded on receipt of confirmation of enrolment via the NCCA's Education Passport materials.

Success Criteria:

The success of any Attendance Policy is measured through:

- Improved attendance levels as measured through Leabhar rolla records and statistical returns
- Happy confident well adjusted children
- Positive parental feedback

- Teacher vigilance.
